

Étagères

These shelves stack up nicely to feature beloved books or a treasured collection

Produced by
AMANDA SMITH FOWLER

"I like to use an étagère for the visual weight it gives a room. It can help balance out a space and it's a great place to display your personal style and preferences."
—designer Matthew Patrick Smyth

A PLACE FOR EVERYTHING
In the 1800s, étagères served to display the many knickknacks typical of English middle-class decorating.

“Form and function meld with style and panache when it comes to étagères. They’re shelves with personality, bearing the workload of built-ins but with the flair of furniture.”

—DESIGNER JAMES FARMER

Designed by James Farmer
