Looking to refresh your space? Create your own paradise with these tropical pieces that will take your vacation home to the next level, selected by Michelle Wiebe, founder of Clearwater-based [Studio M.](#)

Party In Paradise

Palms Up! brings a tropical twist to a bar set up. Hand-carved doors open to a white marble work surface with ample amounts of wine storage – perfect for entertaining. “The palm carving on the doors lends a coastal elegance to this statement-making piece,” Wiebe comments.
