Sit Pretty With This Stunning Caracole Chair in Westchester

Gina Valentino December 1, 2021

Photo courtesy of HomeThreads

The nature-inspired chair from Caracole, available at HomeThreads, makes a statement in any living room or sitting area in Westchester.

A showstopper, this stunning solid-brass chair by Caracole is inspired by nature. Its frame, resembling branches or coral, is finished in gold brush with white enamel, with seat and back upholstered in a soft, neutral, textured fabric. The ultimate statement piece.
