# BRIDGE FOR DESIGN

# CARACOLE

This button-tufted beauty offers inimitable style. Its shapely silhouette features a decorative inset metal frame with an open pattern of a connecting circle - the symbol of no beginning and no end. The gold metal finish highlights its one-of-a-kind frame and complements the dressy, textured, pure Ivory fabric of its tufted, upholstered back and seat. With perfect proportions, the sofa is finished with fashion-inspired legs. [www.caracole.com](http://www.caracole.com)

# ARTMAX

This stunning sideboard from the Steel Collection by Artmax combines clean modern lines with stylish, industrial elements making a bold new architectural fashion statement. This design shows off a white marble top with grey veining and is adaptable almost anywhere in the home. T. 001 773 376 6266 | [www.artmaxfurniture.com](http://www.artmaxfurniture.com)

# OASIS

Having a space dedicated to work at home is becoming increasingly popular and Oasis has launched a range of new furniture to make this space more stylish and personal. The timeless Dama desk, made from a dark-stained wood accented with Art Deco-style gold finish details, is sure to bring glamour in to any home office or 5-Star hotel.
