GOT MILK?

Natural cowhide kicks it up a notch at home, cultivating a chic, luxuriant aesthetic that's simply sublime. — *Tracy Bulla*

Stud hardware lends an edgy vibe to **Lazy Susan's** handcrafted caramel hair-on-hide frames (\$101 to \$120).

Safavieh's Peyton pillow alternates stripes of gold-flecked and natural tan cowhide for a luxe organic look, backed in solid suede (\$128 to \$187, set of two).

A fashionable take on the classic Windsor, **Caracole's** Hide Nor Hair chair dresses up a delicate spindle barrel frame in spot-on faux skin (\$1,305).

Fully customizable by color and size, the hair-on-hide Anchorage rug pops a stunning ogee pattern with bold orange highlights from **Saddleman's**.

Made in the United States, the Belgian linen Eloise pouf boasts cowhide appliques in a dramatic geometric fret from **V Rugs & Home** (\$630).
