

TURNING TABLES

Accent tables entice the eye with elevated materials, finishes and details.

BY LAUREN ROSES

Moe's Home Collection's Grace accent table boasts a sculptural shape crafted from solid white marble.

The Bee My Honey side table from **Currey & Company** is designed by Sasha Bikoff and made of solid brass topped with a black marble disc.

Made entirely of wood, the Brando side table by **Essential Home** features a unique disc upholstered in a black leather fabric.

Uttermost's Fortier accent table features a mirrored top and a tapered wooden base with brushed nickel-plated details.

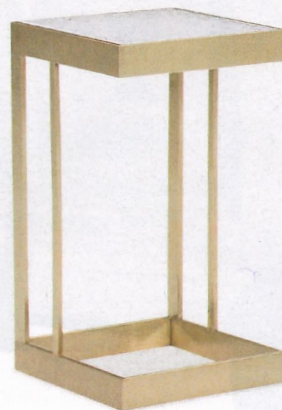

Koket Love Happen's Yasmine side table has a contemporary design and gold chromium base details.

Bellini Modern Living's Pebble occasional table features a mix of wood and glass.

Elk Home's Arrow accent table is finished in gold leaf.

Caracole's Dainty Little Gem side table's top is formed of crushed crystals encased beneath clear acrylic.

Napa Home & Garden's Varina accent table features delicate tree-like details.
