CRYSTORAMA

For almost 60 years, Crystorama has designed and manufactured decorative lighting fixtures. The newest introduction from its Drake Collection elevates the solid geometric, acrylic shape with a polished-nickel component. The result is a balanced fusion of contemporary lighting.

CARACOLE

Chair-ish builds on Caracole's tradition of hand-carved lattice barrel frames with tapered legs. Here, a geometric honeycomb pattern has been rendered in a shimmering taupe paint, and upholstered in linen.
