Be Our Guest

Michele Chagnon-Holbrook, founder of **Casabella Interiors**, loves to pamper visitors by offering a resort-like experience in her guest bathroom. "The guest bathroom is always one of my favorite rooms to design," she says. "I think of each one as a little jewel box." For this guest bath, Chagnon-Holbrook has repurposed a chest into a unique sink. She also brings in a metallic bar cart to store towels and toiletries. A chandelier gives the space some glam. | *Michele Chagnon-Holbrook, Casabella Interiors, East Sandwich, Mass., casabellainteriors.com*
