Adorn your living spaces with Caracole's captivating whirl.

TEXT CLARA LING IMAGES COURTESY OF CARACOLE

The well-loved and beautiful American brand, Caracole takes pride when it comes to design and exquisite details. Travelling the world, Caracole is created with high value furniture of elegance between classic and modern style for an enviable fashion forward living.

Some of the favourite picks this chapter for a warm and delightful lounge, Caracole emphasises on its intricately crafted cocktail table and storage unit. Lending dramatic impression and flexibility to your interior is Sociables Cocktail Table - the new-fangled of a light and airy design with a glass top. Stylised in metal trellis pattern enhanced in taupe silver leaf finish, this classy piece is clearly a conversation starter.

Every living space is incomplete without a storage unit. Banded in white Mother of Pearl adjacent to the sophisticated custom made handle on each door panel, Straight Up with a Twist resides on a scroll motif crafted into a metal stretcher with slender legs. Made for a twist, the enclosed unit functions as a bar or a shelf entertainment unit if need be. Flank it next to the sofa for this multi-functional module is one statement piece!

Made with inspired creativity, Caracole's lovely furniture truly makes a difference by adding beauty and functionality to people's life. As spoken for itself, Caracole aspires to create a beautiful turn in a new direction for your abode. ♦
