elevating lifestyles for over 100 years

Join us for a Complimentary Design Workshop!

From grounding furniture, to creating “zones” within your home, rugs are more than just simple decor - they can be magic! Interior Designer Jean Wemyss will showcase the latest rugs from the Loloï line to fit within each of the four lifestyles at Robb & Stucky. During her presentation, you will learn how you can select the best rug for each room and utilize rugs with an emphasis on floor plan unity, changing the mood and feel of your home. Light sips and bites will be provided.

While this event is free to attend, we will be collecting travel-size personal hygiene items for Boca Helping Hands.
