Step into the Material World with Interior Designer Valerie Barbosa as your guide in this complimentary interior design workshop that brings texture to life. In this workshop and showroom tour, you'll explore how wall coverings and luxurious fabrics—from serene and subtle to bold and dramatic—enhance Robb & Stucky's four signature lifestyles. Discover how surface, softness, and statement details create layers of meaning (and beauty!) in your space. Valerie will share expert tips on: Coordinating wallpaper with bedding, drapery, and accent pieces. Pairing textures to complement art, pillows, and upholstered seating. Showcasing trending patterns and materials from Kravet, Phillip Jeffries, Candace Olson, and more! Join us to get inspired to transform your home with finishes that don't just complete the room—they define it.

Workshop starts promptly at 11 AM. Light refreshments will be served.
