## Join us for a Complimentary Design Workshop!

In the mood to change up the atmosphere of your home and how it makes you feel? Join our fabulous Interior Designers, Karina Benedetti and Andrea DeVito, for a fun and informative discussion on setting the mood with accessories, lighting, art and more. Participate in a live demonstration where you and fellow participants can select colors and textures to add life to a living space display in our showroom. Light sips and bites will be provided.

While this event is free to attend, we will be collecting travel-size personal hygiene items for Boca Helping Hands.
