How The Use of Color Can Transform Your Home

Wednesday, March 19th

11:00am – 12:00pm

R&S Fort Myers Showroom

Drenching your home in color - it can be intimidating, but doesn't have to be! Interior Designer Gina Geron will boost your color confidence with a workshop on how you can use color to change the mood and feel of your home, using color in a balanced way, and incorporating mixed metals into your design. Her presentation will be followed by a tour of our showroom to view real life examples of bold use of color. Light refreshments will be served.

While this event is free to attend, we will be collecting toiletries & personal hygiene items for Rob's Group Home of Youth Haven.
