CORAL GABLES, Fla. (Jan. 11, 2018) – Robb & Stucky has promoted Maria Elena Holguin, ASID, licensed Interior Designer, to be the Design Director for the Coral Gables Showroom. Maria Elena will report directly to Oscar Moreno, Coral Gables Showroom General Manager.

Maria Elena joined the company in 2017 as an Interior Designer and has over 30 years of experience in architecture, construction, and design – with an expertise in hospitality design.

“Maria Elena's wealth of knowledge within the interior design business and hospitality will solidify our position in this market and provide clear direction to our team on future projects,” Coral Gables General Manager Oscar Moreno said. “We as a company are always trying to find exceptional talent that will take Robb & Stucky and our team of designers to the next level, while providing our customers with the highest level of service and exquisite furnishings.”

As Design Director, Maria Elena will be responsible for managing and growing the interiors department, developing design agreements and estimates on projects, and guiding the design team on monthly presentations for the community. She will also maintain and oversee all model, commercial, and hospitality projects to ensure they are properly executed.

A Miami native, Maria Elena is a world traveler, completing projects throughout the United States, England, Africa, India, Mexico, and Colombia. There is no job too big or small for Maria Elena. From 600 sq ft apartments to a 20,000 sq ft home in Africa, she applies her seasoned eye for design to any space.

"I am beyond excited and honored to become the new Design Director for the Robb & Stucky Coral Gables showroom," Maria Elena said. "I will be able to use my 30 years of design and business experience to assist Oscar and the firm in making us the top design team to watch in 2018 and our showroom a second office for the Miami Design Community!"
